On 27 July 2021 the Company announced the acquisition of four dominant French retail shopping centres for a cash consideration of circa EUR 305 million, including related net working capital at 30 September 2021.

Lighthouse hereby announces its intention to raise equity, with a targeted amount of ZAR 1 500 million, to be implemented through a bookbuild process (the “**Bookbuild**”) subject to pricing acceptable to Lighthouse.

The new shares will be issued by the Company under and in accordance with its existing authority to issue shares in terms of a vendor consideration placement, granted by shareholders at the annual general meeting of the Company held on 30 April 2021.

The Bookbuild will be launched immediately following this announcement and Lighthouse reserves the right to increase the size of the Bookbuild and close it at any time at its discretion. Pricing, allocations and the amount raised will be announced as soon as practicable following the closing of the Bookbuild.

Invited Investors may elect to subscribe for ordinary shares on the South African register in ZAR.

The new shares, when issued, will be *cum* the distribution for the six months ended 30 June 2021, credited as fully paid and will rank *pari passu* in all respects with existing shares.

The Bookbuild is subject to the requirements of the Company’s Constitution, the Listings Requirements of the JSE Limited (“**JSE**”) and the Listing Rules of the Stock Exchange of Mauritius Ltd (“**SEM**”).
